FLORIDA STATE CONFERENCE CENTER

Parking

Visitor parking for the event will be available on LEVEL 4 of the St. Augustine Parking Garage located adjacent to the Conference Center. There are three entrances for your convenience located on Macomb, Copeland, and St. Augustine Street. The Conference Center can be accessed directly from the garage on the 4th floor or through the main entrance on W. Pensacola St.

Parking for guests is available for the duration of the event; however, once the parking attendants leave, open spaces are released to students. Guests who arrive after this time will be responsible for securing individual parking in metered visitor parking (located on LEVEL 1) or by purchasing a parking pass directly from the Office of Parking Services. Parking in areas other than those designated for the conference attendees without a parking pass may result in a citation.
